

PURCHASE ORDER ATTACHMENTS

1. QUALITY ASSURANCE (QA) REQUIREMENTS

If an item contains a Class Code PSL (P-Sail), PSLC (P-Sail Commercial) or NPSL (Non-P-Sail), the vendor is bound to the following requirements:

PSL

Bidders are required to submit, with their proposal, any one of the following items upon which their Quality Program is based; QA/QC Manual, ISO 9000 Certification, or any National Certification. The successful bidder's Quality Program will be evaluated for compliance to the Pine Bluff Chemical Demilitarization Facility (PBCDF) Quality Program Plan (QAPP), Revision 2 requirements.

PSLC

Final acceptance of items will be upon receiving inspection at the PBCDF Site.

NPSL

Provide a Certificate of Compliance to certify that the items supplied comply with all requirements of the Purchase Order.

2. BAG, MARK, TAG STATEMENT

All items shipped against this Purchase Order will require individual identification with the Manufacturers part number by one of the following methods: bagging, marking or tagging the part (s).

Final acceptance will be upon receiving inspection at PBCDF.
